

AMENDED RESTRICTIONS FOR COUNTRY ACRES

As provided in paragraph 14 of these Restrictions, a majority of lot (property) owners (Exhibit "A" attached) in the Plat of Country Acres, comprising lots # 1-29 situated in Oronoko Township, Berrien County, Michigan, for and in consideration of the covenants and restrictions herein contained, do hereby declare that said plat shall be subject to the following amended restrictions replacing those of Liber 3093. Pages 1704—1709, recorded January 29, 2015 and Liber 883 Pages 277 and 278, recorded October 6, 1970, in its entirety. Restrictions previously filed, and still in effect are Liber 878, pages 560, 561, and 562 filed July 29, 1970, and Liber 1515, pages 1224, 1225, 1226, 1227, and 1228 filed May 29, 1992.

If any owner or owners of any lot or lots in said plat shall violate or attempt to violate any of the covenants herein, they shall be liable to prosecution and proceedings at law or in equity, to restrain any person or persons violating or attempting to violate any such covenant and to recover damages resulting to him or them from such violation.

Invalidation of any of these covenants or restrictions by judgment or court order shall in no way affect any of the other provisions, covenants or restrictions placed on said premises, and all other covenants and restrictions shall remain in full force and effect.

1. All lots in said subdivision shall be known and described as residential lots. No structure shall be erected upon, placed or permitted to remain on any residential building lot, other than one detached one or two family dwelling, not to exceed two stories in height, and a private garage. Utility sheds, described as personal property (an accessory building not permanently affixed to the ground), are permitted and must blend into the general good appearance of the property. The owner of a residence may install solar power panels on the roof of the dwelling. Installations must be permitted and approved by state and local authorities, as required.
A property owner with a waterfront lot on Painter Lake may install a recreational pier with written permission from the Country Acres Homeowners' Association (or "CAHA") Board of Directors.
2. No lot shall be sold or any building erected or placed on any building plat in this subdivision until a well shall be installed and tested for capacity and certified to be capable of producing 10 gallons per minute when equipped with the recommended residential equipment by a licensed well installer. Said well must be located so that the utility of the rest of the lot is not unduly restricted. However, this restriction does not apply for those lots that have made arrangements to hook into a central water system.
3. No building shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications and plot plans showing the location of said building or buildings have been approved by the Country Acres Homeowners Association Board of Directors, or their duly authorized representative for conformity and harmony of external design and location on the

lot with existing structures in the subdivision, and as to location of the building with respect to the property and building set back lines.

4. No trailer, recreational vehicle, motor home, any other vehicle, basement, tent, shack, garage, barn or other building erected in said tract shall at any time be used as a residence, temporarily or permanently, nor shall any residence of a temporary nature ever be permitted
5. No noxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which shall become any annoyance or nuisance to the neighborhood. Lots shall be kept mowed and free of any noxious growth by the lot owner.
6. All new dwellings shall include a private garage for at least two cars and the lot owner shall provide a hard surface driveway of bituminous asphalt or concrete from the garage to the access property line. The parking of boats, trailers, etc. on lots is limited to those of the resident. Inoperable or unlicensed motor vehicles are not to be kept on the property, unless kept in a garage.
7. No new dwelling shall be erected on any lot, the finished above-ground living area of which is less than fifteen hundred (1,500) square feet, exclusive of garages, basements and open porches.
8. All exterior construction shall be of brick, stone, concrete, wood, vinyl, or aluminum siding, or satisfactory combinations of these materials. No building shall be constructed on any lot with an exterior of stucco, asphalt, tar paper, asbestos siding, simulated stone or simulated brick exterior or any similar material. All homes will be constructed on site. The finished building plans must be first approved by the Country Acres Homeowners Association, Board of Directors, or their duly authorized representative.
 - (a) Internal and external building upkeep and maintenance is the responsibility and obligation of the property owner.
 - (b) External appearance including, but not limited to, paint and/or stain, roof, driveway and landscaping must be maintained and not detract from the general appearance of the neighborhood.
9. No advertising signs shall be placed on any premises except one "For Sale" sign of not more than six square feet or the usual signs used by the builders.
10. Leases and Rentals:
 - (a) All rentals must have a permit as required by the Oronoko Township ordinance.
 - (b) Owner/landlords must notify the CAHA Board of Directors of new leases and tenants.
 - (c) No property shall be leased or rented for periods of less than 6 months without prior written consent of the CAHA Board of Directors. A request for such consent must be presented to the Board of Directors in writing and

explaining the need for a period that is less than 6 months. Rentals for short-term use, such as weekend and vacation rentals, are prohibited.

(d) Owners of property leased or rented to tenants are responsible for payment of all amounts billed by CAHA, such as, Association dues, water service bills (if the property is on the water system owned and operated by CAHA), and any other CAHA service fees or assessments, if applicable. A tenant may make the payments, but the owner is responsible for all payments that are not made by the tenant.

11. No lot owner or resident shall park any commercial vehicle, licensed as commercial and used in connection with his business, on or in front of his property. Such vehicles, however, may be kept if put into a garage.
12. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except dogs, cats or other pets which may be kept provided they are not kept, bred or maintained for commercial purposes and provided they are reasonably restrained so that they are not a nuisance to the neighbors. Animals exercised in the neighborhood must be leashed and the owner bears immediate responsibility to clear all droppings.
13. All construction shall be completed within one year from date of beginning. All unused building materials must be removed or stored in the building within the same time period.
14. These restrictions shall be regarded as covenants running with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five years from the date of these covenants being recorded, after which time said covenants shall be automatically extended for successive periods of twenty-five years unless the instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.
15. Enforcement shall be by proceedings of the law or in equity against any person or persons violating or attempting to violate any covenant to restrain and/or to recover damages.
16. Construction of solid fencing or solid hedge-row plantings, that would inhibit local residents' viewing of the lake, is prohibited. Chain link fencing is permitted where fencing is required by law, such as for swimming pool safety.
17. No hunting or discharge of firearms is permitted.
18. Maintenance of septic tanks and drain fields, to maintain lake quality and protect other lots, is required.
19. Home occupations, and business conducted from the home, are limited to the home owner. Foster care facilities are prohibited, except as provided through court order for lot 24, LIBER 1515, pages 1224 through 1228, filed May 29,

1992. Home owned businesses cannot detract from the residential atmosphere of the neighborhood.

In accordance with paragraph 14 (above) of these Restrictions, a majority of lot owners in Country Acres No. 2, have accepted and approved these amended restrictions, as evidenced by their signatures on Exhibit "A" (attached).

IN WITNESS WHEREOF, the parties hereto, as officers of the Country Acres Homeowners Association, and pursuant to the approval of a majority of lot owners, have executed this instrument on the ___ day of _____, 2023.
